

1.  Say what they have in their schoolbags? 

Example: Cherry

Cherry has got a folder, an eraser, some pencils, an exercise book, some scissors (or a pair of scissors) and a sharpener. She hasn't got a ruler.

2. Work with a partner. Each write some true sentences in your exercise books. Don't show your partner the list! Use:

red	blue	green	yellow	pencil	pen	exercise book
orange	white	black		school bag	pencil case	eraser
				ruler	pencil sharpener	

Now guess the things on your partner's list:

YOU: Have you got a white eraser?

PARTNER: No, I haven't.

YOU: Have you got an orange exercise book?

PARTNER: Yes, I have.
